Re: United States v. David Livingston Atttoh, et al., GLR 19 0032

Dear Judge Russell:

Per the Court's Order, the parties submit the following third joint status report.

Due to the volume of discovery, the defendants request an additional 60 days to complete review. This additional time will also allow the parties an opportunity to continue plea discussions about resolution of the cases. Several plea agreements have been extended and are currently under consideration.

A joint motion to waive speedy trial has been granted, so there are no concerns in that regard. At this point, the parties jointly request an additional 60 days to allow time for review of discovery, and to engage in further plea discussions.

Very truly yours,

Robert K. Hur
United States Attorney
